

Next Steps from Q1-13 March 8 Roundtable Meeting

1. **John Ring:** Help on the teacher training / outreach initiative led by Shawna Crocker
2. **Carol Ekarius:** Work with Mike McHugh to plan two summer field trips for elected officials to Waldo and High Park fire sites (Shawna Crocker offered to coordinate using CSU's vans which can seat 12 passengers each); 5/9 update: just for elected officials, not as part of the RT mtg
3. **Peter Brown:** Look into planning a science / education symposium, perhaps in partnership with the Colorado Forest Collaboratives group led by Lisa Dale, perhaps in partnership with the CFLR Coalition or the NFF's CFLR webinars. Activities may include: writing a letter to CFRI and others to coordinate a science synthesis; 5/9 update:
4. **Rob Addington:** Work with Mike Babler to speak with the state Prescribed Fire Council to get ideas about the Roundtable can participate in promoting the increased use of prescribed fire
5. **Hal Gibbs:**
 1. Work with Mark Martin & Craig Jones on thinking through the future of the BUSS team (biomass utilization and slash site); ask Mike Smith how the Roundtable can best stay up to date on biomass utilization opportunities, challenges, progress and needs
 2. Work with data providers and a GIS expert on updating the 2009 Roundtable map of where forest treatments have taken place, in relation to where the Roundtable recommended that forests be treated for forest restoration and/or fire risk mitigation (Hal emailed contributors in May)
